MILCast is a business unit of Gadian Projects.

Based in Finley, New South Wales, the business has a strong reputation for providing quality precast concrete products at an affordable price.

We design, manufacture, and supply precast concrete products for agricultural and commercial uses. Products include headwalls, culvert ends, pits, bay outlets (with aluminum door or rubber flap available), rice stops, channel and bankless channel checks, rice flumes, grain/fertilizer bunker wall slabs and drop boxes.

MILCast supplies local landholders, large irrigation companies, civil contractors and their contractors to fulfil a wide range of projects.

The MILCast team can design made-to-order structures based on your specific needs. MILCast is committed to ongoing product development to meet the changing needs of its customers.

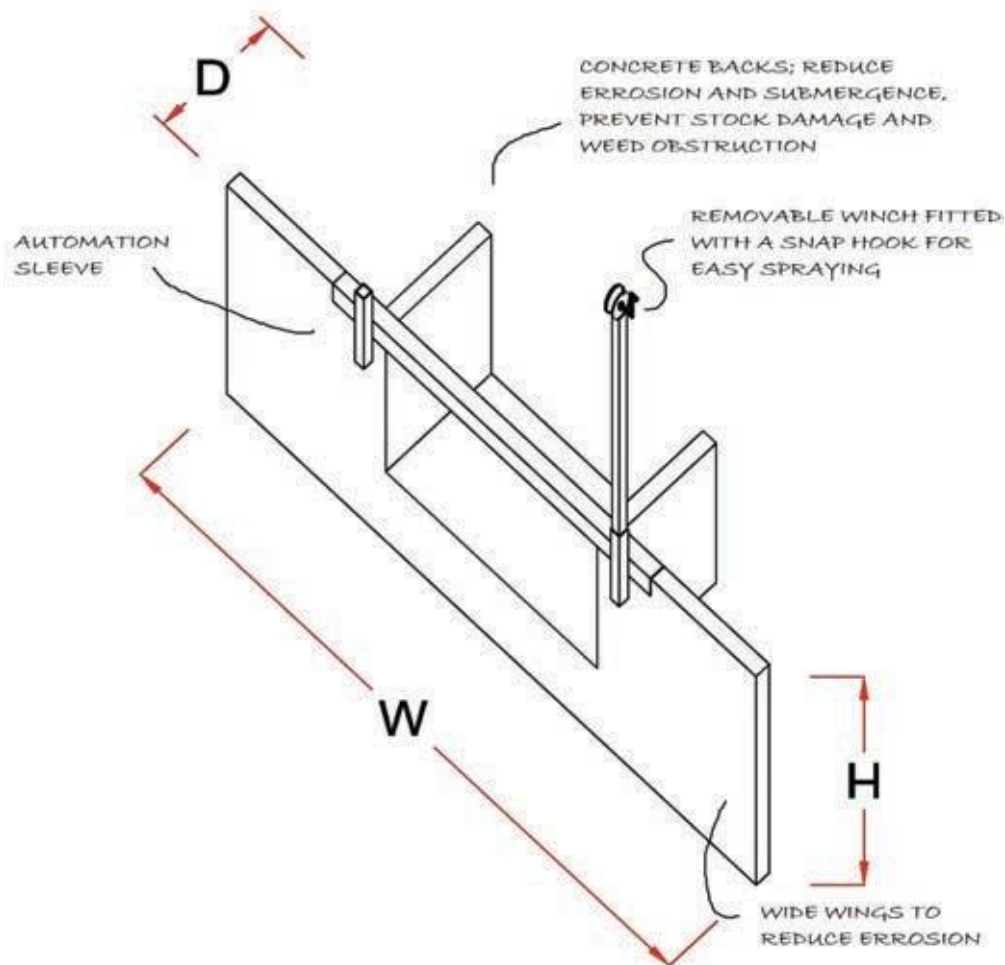

Some of the benefits of choosing MILCast products include:

- The ease of installation
- Delivery services available
- Quality certified products
- Custom design / manufacturing

For more information, call our friendly team on T. 03 5888 3051 or visit our website

Pits & Risers* - P110 / P120 / P140 / P170 / P200 / P260

MILCast pride themselves on their ability to supply affordable pits, suitable for every project. Find the perfect pit for your project and then call us for a customized shop drawing.

Steps to order

Step one: Choose your dimensions. MILCast pits can be manufactured in single units (up to 3.4m high) or split into smaller components to reduce unit weights for cartage and installation. The table below displays the MILCast Pits and Risers range.

Step two: Select your bungs and blockouts. MILCast offer standard (tailored to MC Pipes) or customized bungs and a flexible range of blockout sizes. Nominate your preferred sizes or call us about tailored options.

Step three: Add any additional features. MILCast can provide a multitude of additional extras for your pit. See the table below for just some of our many options.

Step four: Phone or call in and see us to get the ball rolling on your quote and personalized shop drawing.
